DENMARK

INTRODUCTION

The Kingdom of Denmark is a Scandinavian sovereign state in Northern Europe. It is located at the mouth of the Baltic Sea. It has an area of 16,562 sq. miles. As of 2012. It has a population of 5.5 million. The capital is Copenhagen. The major industry is agriculture. Denmark dates its history back over 600 years. The money system is the Danish krone

Denmark has never produced its own .22s. They have contracted with other manufacturers in other countries to produce .22s for them to fill their special needs.

THANKS

Special thanks to the following collectors for helping me with this project by supplying me with box images and sharing their knowledge. Presented in alphabetical order.
